Intro to dqm

dqm connect

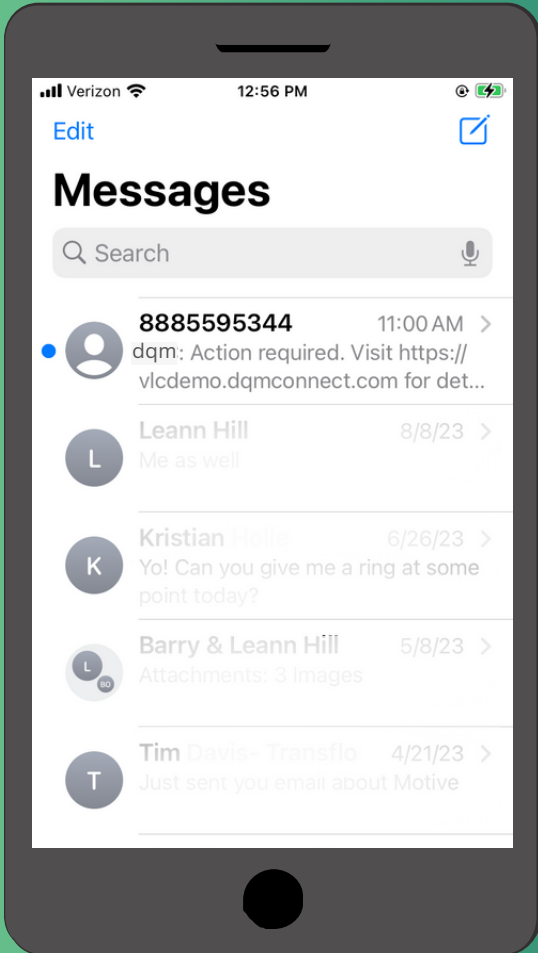

why are you receiving notifications? your employer uses dqm connect to notify about upcoming renewals and internal communications

What is dqm?
dqm is a driver file management software

what to do?

1. click the link (don't worry, its not spam!)
2. reset your password using the "forgot password" button
3. sign in to your account (if you are receiving messages you already have an account. you do not need to make a new one)

contact your employer with any questions

Are your applicants/drivers receiving this error code?

New Applicant?

ERROR: duplicate key value violates unique constraint
"users_email_key" (SQLSTATE=23505)

dqm connect

It means they have already created an account with that email, and they need to log in as a normal user to resume their application.

Applicants may think they are still a 'new applicant' ...but they have already completed the initial application and their profile has been created in the system.
